THE ISTE STANDARDS FOR STUDENTS

**1 Empowered Learner** Students leverage technology to take an active role in choosing, achieving and demonstrating competency in their learning goals, informed by the learning sciences. CLOSE

1a Students articulate and set personal learning goals, develop strategies leveraging technology to achieve them and reflect on the learning process itself to improve learning outcomes.

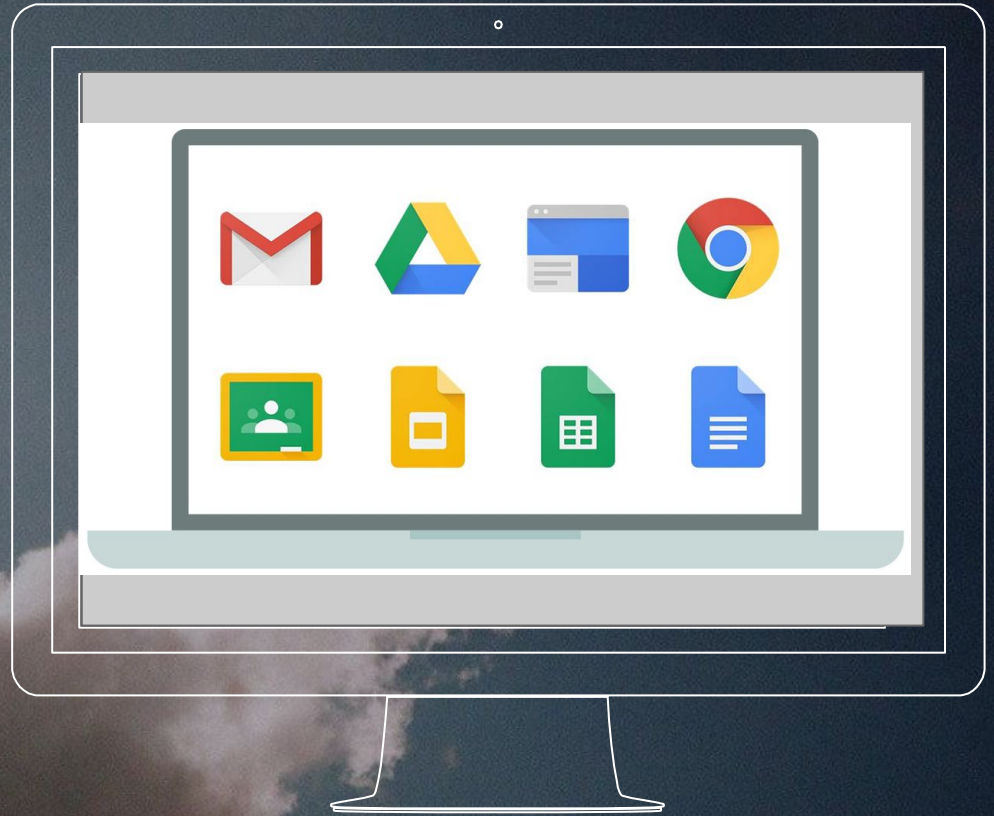

1b Students build networks and customize their learning environments in ways that support the learning process.

1c Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

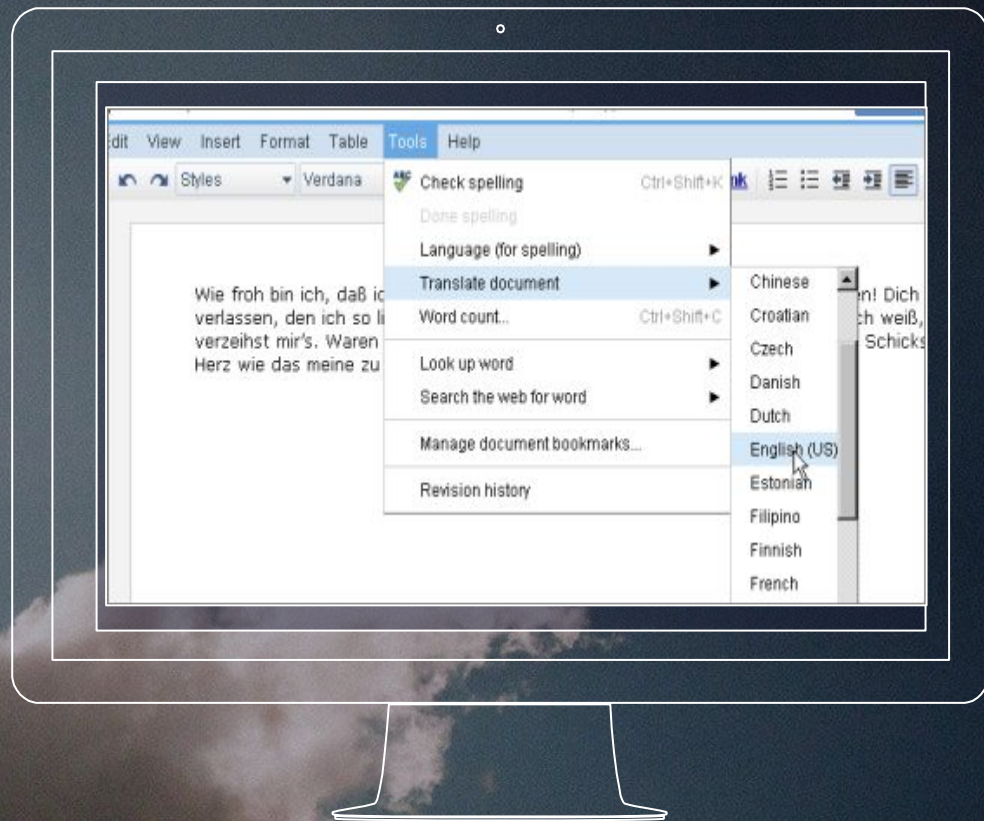

1d Students understand the fundamental concepts of technology operations, demonstrate the ability to choose, use and troubleshoot current technologies and are able to transfer their knowledge to explore emerging technologies.

# Google Forms

A computer monitor is shown against a dark blue background with white clouds. The monitor's screen displays a Google Form. The form has a header image of a rocky river. The title 'Student Questionnaire' is centered. Below the title, it says 'Please read and answer the following questions.' There is a red asterisk and the word 'Required' in red. The question is 'What is your first name? \*'. Below the question is a text input field with the placeholder text 'Your answer'.
