FOCUS ON MATH, TECHNOLOGY AND ENGINEERING

Library of Congress
Teaching with Primary Sources

The Library of Congress is not just for history teachers.

The Library’s Web site contains plenty of primary sources for the study of math, technology and engineering.

TEACHING WITH PRIMARY SOURCES
is a program of the Library of Congress, and is administered in Tennessee by the Center for Historic Preservation at Middle Tennessee State University.

TPS’s Mission:

• To promote and facilitate the use of the primary sources available at the Library of Congress Web site

• To help educators engage students in inquiry through the use of primary sources
